

The support you need

Does your business need a financial controller or director? But workload and budget mean you can't afford one on a full time basis.

Our PAYG service could be the answer.

FREE CONSULTATION

EXPERIENCED ACCOUNTANTS • TIMELY AND ACCURATE FINANCIAL INFORMATION •
MAKE INFORMED BUSINESS DECISIONS • COST SAVINGS • ADHOC PROJECT SUPPORT

Making sense of your numbers.

At RAJ Consultancy we believe that good accountancy is about more than just compliance and telling you the numbers, it's about making sense of them.

Working with your accounts team and existing software and systems, we can identify your strengths and weaknesses and help you focus on improving profitability and cashflow. We provide professional on demand support, only pay for our services and time when you need them.
